Dear Mr. Furth,

It is my pleasure to inform you that a donation of \$3500.00 was made in your honor to our Capital Campaign Construction Project. In a note, along with the donation, Ms. Ida Almanza requested the donation be made in honor of "two gentlemen", in which you were named as one of the gentlemen.

In Ms. Almanza's note as to why she felt inspired to make the donation, she stated this: "Two great men who are role models and advocates for women." This quote will be placed on a plaque along with your name.

La Casa provides domestic violence shelter and services to Dona Ana County residents. Last year, La Casa provided shelter and services to 2361 victims and offenders. Ms. Almanza's donation will help pay for the construction costs for 10 new shelter bedrooms. Currently, our 16 existing bedrooms are filled, so the new bedrooms will go far to help relieve our crowded conditions.

Your ability to inspire others to community service will directly aid domestic violence victims in our community. Thank you.

Sincerely,

Patricia McClure
Resource Development Director
