

October 26, 2013

Dear Mr. Furth,

I received the severance check in the mail. I want to thank you again for your service on my behalf. I really needed your representation, guidance and advice in addressing this issue. I will never understand or comprehend the position of [REDACTED]. I only hope as I continue to move forward I never have another employer such as this.

I am so very glad [REDACTED] referred me to you. Thank you again, Colleen
